

Landscape Architect/ Site Designer/ Land Use Planner (Entry-Level Position 1-3years)
GORDON
Chantilly, VA

GORDON is seeking a talented Landscape Architect to join our award-winning team of landscape architects, urban designers, and land use planners. Our 9-person Studio has 9 registered landscape architects with AICP, CPP and SITES AP credentials. We are a medium-sized A/E firm and work with multi-disciplinary teams on a variety of large and small projects from concept through construction for both public and private sector clients. Our LA design work ranges from urban parks and plazas, sports and recreation, mixed-use, adaptive re-use, rooftop and community amenities, as well as placemaking.

WHAT WE ARE LOOKING FOR:

We are now seeking a design professional for a position in our Chantilly office. The ideal candidate will possess the following qualifications:

- A Bachelor degree in Landscape Architecture
- Proficiency in AutoCAD/ LandFX drafting programs
- Graphic skills, both generated by hand-drawing and computer assisted programs
- Proficiency or familiarization with Photoshop, In-Design, Illustrator, Sketch-up, Lumion, and Microsoft office
- Demonstrated skills in design and construction document preparation
- Passionate about creating high-quality urban environments, care about the details of a project and understand the importance of seeing a project through to the end
- Enthusiasm, eagerness to learn and the skills and abilities to assist us in furthering the success of our Studio
- Effective communication skills to engage clients and other design disciplines

WHAT YOU WILL DO ONCE YOU ARE HERE:

- Collaborate with an experienced team of registered landscape architects, Land Use Planners and civil engineering professionals on interesting and high-profile projects
- Support and/ or manage the development and preparation of zoning, entitlement and permit documents
- Support and/ or manage the development of design and preparation of construction document packages
- Be a part of a fun and dynamic office that is committed to invest in continued education, mentorship, and your professional development

We pride ourselves in providing a comprehensive benefits package including medical / dental / vision and life insurance; short and long-term disability coverage; 401(k) Plan; Continuing Education incentives; training; and numerous opportunities for career advancement. Salary commensurate with experience and abilities.

Previous experience may include internships. Interested candidates should email their cover letter, resume, and portfolio (10 MB, max and **in PDF format only**), including at least one example of construction documents and/or planning and zoning documents, to jobs@gordon.us.com.
